

far as the horse racing, a lot of involvement with the horse people. There's a lot of things that have to be done, they can't wait, that has to be done every month. So I think it's very important that this commission operate and by having five members on the commission they will be able to operate. I would sooner that the Governor could appoint them sooner, but that has never happened. It seems like whenever there is an opening it takes six months to get a new commissioner. So this bill is a \$4,000 bill but it is paid out of the Racing Commission operating funds. It increases the Racing Commission from three to five members. It's a very simple bill. I ask for your support of the bill. Thank you.
